

THIS TIME

(Neil Murray)

I'm walkin' along, I'm walkin' at night
I'm worried because you're not treatin' me right
Tropical moon is starting to wane
Down on the beach the tide has changed

I didn't know what your love was all about
Until I met you and you showed me how
Well I pray we can work it out
But something tells me it's changed somehow
This time

I see cars cruisin' by
People goin' out for a good time
I see planes in the sky
I'm wonderin' where you are tonight

If you appeared before me now
I wouldn't know what to do
I'd just break down
Well I pray we can work it out
But somethin' tells me it's changed somehow
This time
Ah-oo, Ah-oo, Ah-oo, Ah-oo

I'm walkin' along around the bay
I pass the spot where we once lay
I'm tryin' to find you some way
But I don't wanna see what can't be saved

I didn't know what your love was all about
Until I met you and you showed me how
Well I pray we can work it out
But somethin' tells me it's changed somehow
This time

Ah-oo, ah-oo, ah-oo ah-oo, ah-oo, ah-oo
Ah-oo, ah-oo, ah-oo ah-oo, ah-oo, ah-oo, ah-oo
Ah-oo
