Dreaming of the old TI
Dreaming of the old TI
blue water in my mind
Dreaming of the old TI

Sea breeze in the sky
Sea breeze in the sky
don't ever worry for time
dreaming of the old TI

Looking at a rising moon
fishin gonna come on soon
I'll catch a feed this way
and sleep like a baby at the end of the day

Dreaming of the old TI
Dreaming of the old TI
blue water in my mind
Dreaming of the old TI

Watchin the boats come in
Watch em go away again
all the family gather round
to share the food and laugh out loud

Dreaming of the old TI
Dreaming of the old TI
blue water in my mind
Dreaming of the old TI

Sea breeze in the sky
Sea breeze in the sky
don't ever worry for time
dreaming of the old TI
