

EDDIE MABO

(Neil Murray)

Eddie Mabo, you're a hero
Eddie Mabo, you're a hero
When you see me in the mornin' I'm goin' down
I'm gonna meet them, yeah
The ones with all the money and the power
I'm gonna face them

Wanna see what they look like
Get a real hard look in their eyes
Before they move their mouths I'll know
I'll know what they say
They say you could make a lot of money if you just compromise
But Eddie Mabo, he just said no
Eddie Mabo, he know so
Eddie Mabo, he's a hero

He proved that Terra Nullius was a lie
Took 'em all on and he won
Gave us hope where there was none
And we all walk tall because of you
Eddie Mabo (Eddie Mabo,) He's a hero (Eddie Mabo)
Eddie Mabo (Eddie Mabo), Yeah (Eddie Mabo)
He know so

Watch out for the greed merchants
They are the ones with no honour and no conscience
And if you let them they'll destroy us and themselves
Don't let them, no
Don't let them near what they don't understand
They have no business, no business with this land
'Cause Eddie Mabo (Eddie Mabo), He said so
Eddie Mabo (Eddie Mabo), He's a hero, yeah (Eddie Mabo)

Watch out for the greed merchants
They be takin' native title out from under your feet
It's the biggest land grab you've ever seen
I will not let them
I won't let them near what they don't understand
No business, no business with this land
'Cause Eddie Mabo (Eddie Mabo), He said so
Eddie Mabo (Eddie Mabo), he knows so
He's a hero (Eddie Mabo)
Eddie Mabo (Eddie Mabo)
