

# GIVE THIS DAY

(Neil Murray)

It was a slow afternoon when a shadow crossed my room  
You were standing at the door  
And your tears were on the floor  
Sad eyes, sad eyes

I say, "What's wrong, what's wrong with you baby  
Have I caused you some great pain  
Is there something I can change"  
Sad eyes, sad eyes

You say, "You don't love, you don't love, you don't love me like I do  
You don't feel about me, the way I do for you, sad eyes"

Oh, my friend  
Don't make this be the end  
Let the stars sweep your soul  
Be a new light in the morning  
If you give this day a rest  
(Sad eyes, sad eyes)  
You must give this day a rest  
(Sad eyes, sad eyes)

You look at me and you say, "Why, why should we go on trying  
It is pointless to continue, when you don't have it in you"  
Sad eyes, sad eyes

Show me, show me one, show me one good thing that's come  
Give me something that won't fail  
Give me something that will prevail  
Sad eyes, sad eyes

Oh, my friend  
Don't make this be the end  
Let the stars sweep your soul  
Be a new light in the morning  
If you give this day a rest  
(Sad eyes, sad eyes)  
You must give this day a rest  
(Sad eyes, sad eyes)
