

IN MY HEART

(Neil Murray)

You came to me when I wasn't ready
And you gave to me when I wanted nothing
And you filled my house with bloomin' flowers
In my heart I ought to know
In my soul I wonder why
When a bird flies across the sky
In my mind I see you smile

For you showed me what I couldn't see
And you stayed with me when I wanted no one
And you left me broken
In my heart I ought to know
In my soul I wonder why
You turned my life upside down
You planted something in the garden
And it's grown large since you have gone
Yes, it's grown large since you've gone

In my heart I ought to know
In my soul I wonder why
In my nights you will return
In my days I will try to forget
That you came to me when I had nothing
And you stayed with me when I had no one
And you filled my house with flowers
Yes, you filled my house with flowers
