WHAT ARE YOU GOING TO DO?

(English)

You are continually always getting grog
You don't listen to or think about your family
You have money and don't give them any
You get drunk and come and fight with your wife
Don't be like this man

When are you going to stop drinking?
When are you going to stop drinking?
Your wife and kids are waiting
All the people are wanting you

You are continually always drinking grog
Your child is crying because he's hungry
You are not listening or thinking correctly today
Man, the grog will kill you mob today
Don't be like this man

When are you going to stop drinking?
When are you going to stop drinking?
Your wife and kids are waiting
All the people are wanting you
When are you going to stop drinking?
