

# STOMPIN' GROUND

(George Djilaynga/Neil Murray/Sammy Butcher)

Listen to me if you wanna know  
If you wanna change yourself  
I know the place to go  
We got a ceremony I'm gonna paint your face  
Just follow me just walk this way  
Stompin ground, stompin ground  
Stompin ground, stompin ground

Stompin ground all the people all around  
Stompin ground getting' ready, getting' down  
Stompin ground, you'll find out  
Stompin' ground

No worries, no doubt  
You'll find out at the stompin ground

I was here before I'll be here again  
I tell you why I'm the king for this place  
We got a ceremony I'm gonna paint your face  
So get fit you're gonna be healed  
Stompin ground, stompin ground

Stompin ground all the people all around  
Stompin ground getting' ready, getting down  
Stompin ground, you'll find out  
Stompin ground

No more worries, no more doubt  
You'll find out at the Stompin Ground

Stompin ground, you'll be singin'  
Stompin ground, you'll be dancin'  
Stompin ground, you'll be healed  
Stompin ground, you'll be born again
