

YOLNGU BOY

(Mandawuy Yunupingu)

(Arrangement by Neil Murray & George Rrurrambu)

Hey Yolngu Boy
Under neon light
Hey Yolngu Boy
Under neon light
Come with me
See a brand new day

You see the sacred palm
At the pure eye
See the sacred palm
At the pure eye
Come with me
See a brand new day
Now you know for sure that I really care
Hey Yolngu Boy

You see that long black cloud
Up to Batju-pi
See that sacred palm
Yeah, up to Nara-wi
Maybe it's raining at Lami-woy

Come with me
See a brand new day
Now you know for sure that I really care
Only the eye can tell you why
Come with me
See a brand new day
Now you know for sure that I really care
Only the eye can tell you why
Hey Yolngu Boy
